Regularly changing your air filter greatly reduces HVAC issues and repairs. A clean air filter allows your system to use less energy on a daily basis, leading to a 10-15% reduction in energy costs. By changing your air filter when you receive a new shipment, you'll remain in compliance with your lease agreement and have cleaner air for you and your family.

When will I receive my air filter?

Filters are shipped by Second Nature on a regular cadence to our residents. Your first shipment should arrive within the first 30 days of your move in date.

Second Nature supplies quality, MERV 8 rated filters which arrive with instructions on how to change your air filter, advice on where your air filter may be located, and direct access to Second Nature's customer service number.

FREQUENTLY ASKED QUESTIONS

Credit Building

What is credit building?

Credit scores are used to determine creditworthiness, which impacts how favorable the terms of any loans you take out, whether it's credit cards, personal loans, car loans, or a mortgage for a home. We will monitor your on-time rent payments and report those payments to the credit bureaus, so your credit score will increase just for paying your rent on time. The best part is, we report to all three of the national credit bureaus (Experian, TransUnion, and Equifax), so that your rent payments have the maximum impact on your credit score.

Once rent payments get reported (it could take up to 90 days from your first rent payment on RBP), they'll appear as a new trade line on your credit report. The trade line will continue to show timely rent payments throughout your time living with us.

Why are you reporting my rent payments to the credit bureaus?

For most people, housing payments are their greatest monthly expense. We think it's only fair that our residents benefit from their timely rental payments.

What if there's multiple people paying rent? Who gets the credit score boost?

Our credit building service covers everyone in the unit that's listed on the lease, and at least 18 years of age. It doesn't matter how you're splitting up rent, or if you've got someone living with you who isn't contributing to the rent at all. As long as the full rent amount is received on time, everyone in the unit will see their credit scores improve. It's that simple!

FREQUENTLY ASKED QUESTIONS

Identity Protection

 **\$1M Identity theft insurance**

What is identity protection?

Every tenant listed on the lease who is 18+ will be enrolled in Aura, which uses IBM's Watson AI to proactively keep your data safe, and alert you if there are any data breaches or suspicious activity. You'll also get \$1 million in coverage in the event of lost funds due to identity theft.

How do I set up my account?

No action is necessary – you're already covered. As a part of our resident benefits package, you are automatically enrolled in Aura when your lease is signed. You'll receive a welcome email from Aura to set up your online account if you'd like to take advantage of even more features available to you at no cost.

What happens if my identity is stolen?

If your identity is stolen, log in to your account at my.aura.com/sign-in to file a claim. You'll be paired with a dedicated case manager who will walk you through the steps to getting your information secured and getting you back on your feet.

What does the \$1 million identity protection coverage entail?

Our \$1 million identity protection coverage ensures that, in the event of identity theft, you will have substantial financial support. This coverage encompasses expenses like legal fees, lost wages, and other costs associated with restoring one's identity. The goal is to ensure that if someone does fall victim to identity theft, they're not left shouldering the financial burden alone.
